

Dear UMDH hiring team,

I am applying for the Event Producer position because its focus on turning creative concepts into reliable, high-quality live delivery closely matches my experience producing exhibitions and public programmes from brief to opening.

At Atelier Horizon, I produced six temporary exhibitions, coordinating artists, curators, fabricators, venues and accessibility partners. I managed production schedules, supplier consultations and budgets up to EUR 180,000, supported by decision logs and weekly risk reviews. I also prepared installation plans and transport documentation, experience I would bring to UMDH's logistical and technical production, budget control and on-site coordination.

My earlier coordination of more than 70 public events across three venues further strengthened my ability to maintain clear handovers between programming, technical and communications teams. I would welcome the opportunity to apply this structured, collaborative approach to delivering UMDH's premium corporate events with close attention to deadlines, operational coherence and audience experience.

Yours sincerely,
Maya Laurent
